# StoColor<sup>®</sup> Acryl Plus

## A History in South Florida

South Florida's Premier Architectural Coating System

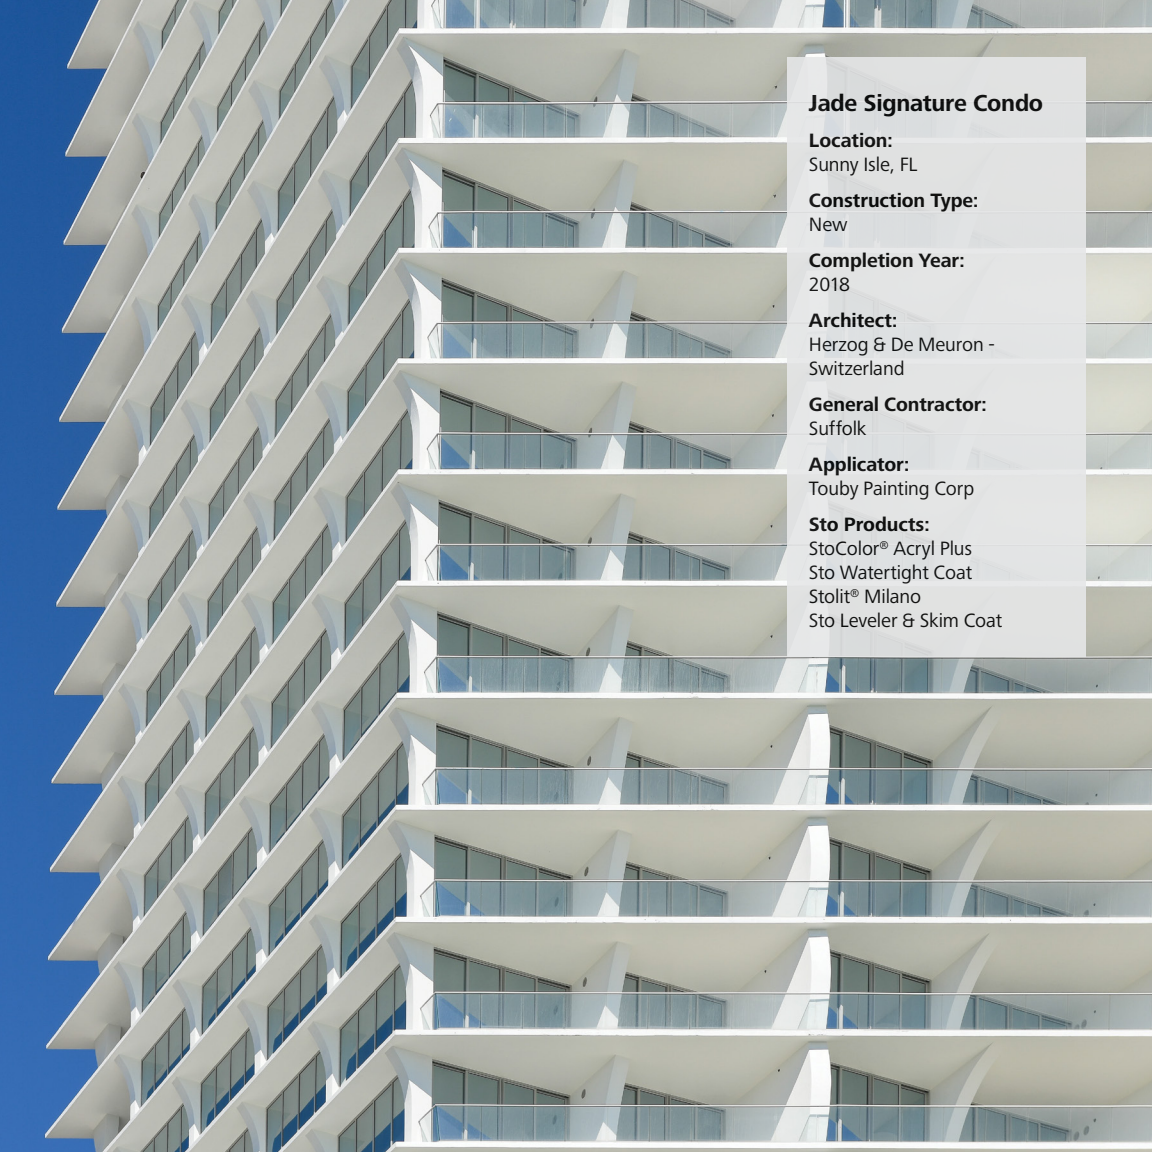

# Feel good about your coating selection.

If proven performance and longevity is what you seek in a coating, use StoColor® Acryl Plus.

The projects laid out in this booklet showcase not only the aesthetically pleasing performance of StoColor Acryl Plus, but the trust in Sto that has developed in South Florida as a result.

For the past 25 years, buildings in South Florida have been trusting StoColor Acryl Plus to protect them from the harsh environmental conditions that exist. Whether it be commercial retail or office; healthcare or hospitality; residential single-family, multi-family or luxury; new construction or restoration, StoColor Acryl Plus has proven its performance time and again. Increase curb appeal and property value while protecting your building from the effects that a South Florida environment brings.
